Billing with CDT-4 Dental Codes

Effective February 1, 2003, CDT-4 dental codes will replace the existing CDT-3 dental codes. The ACS Claims Processing Unit will accept the new CDT-4 procedure codes in February. Providers can continue to bill the CDT-3 codes through June 2003. Any services provided July 1, 2003 and after must be billed using the CDT-4 procedure codes. A new Medicaid fee schedule will be available soon on the Provider Information website.
